Mitas

Mitas mousse is designed to perfectly fit Mitas motocross, enduro, extreme enduro and rally tires. Its development was supported by top off-road riders, who tested the product on various surfaces.

Mitas mousse is available in several 16 to 21-inch sizes and four different versions:

- Standard version for motocross and cross country.
- Soft version for enduro and extreme enduro.
- Extreme version for technical extreme enduro sections.
- Rally version for rally races.

Shelf-life period for different compounds:

- Standard & Rally: 12 months from production date
- Soft & Extreme: 8 months from production date

"Ready to use from" for different compounds:

- Standard & Rally: after two months from production date
- Soft: after one month from production date
- Extreme: ready for immediate use
