### Red Bull Erzbergrodeo is back on the scene

Red Bull Erzbergrodeo is back after a long three-year pause and we are **exclusive tyre partner** of the **Red Bull Erzbergrodeo** once again.

Make sure you stick around **between 16 and 19 June** and don't miss the spectacular **Mitas Rocket Ride** on Thursday!

### Pol Tarrés reached an altitude of 6,157.5 m on his Yamaha Ténéré 700 and made it to the Guinness Book of World Records

Pol Tarrés is always searching for new challenges, preferably on paths never ridden before.

He took his Yamaha Ténéré 700, fitted with Mitas **TERRA FORCE-EF Super**, high into the mountains this time.

His extreme ride to Cerro Mercedario, one of the highest mountains in the Andes, is now listed in the **Guinness Book of World Records**. Congratulations!

### Mitas tyres at the 2022 Dakar Rally

The Dakar Rally is one of the toughest races in the world. In this extreme challenge, tyres must be able to withstand all conditions.

Our rider Simon Marčič chose Mitas **E-12 RALLY STAR** as a rear wheel fitment, and Mitas **C-21 STONEKING** and **TERRA FORCE-MX SM** as a front wheel fitment for this year's Dakar.

Check out the **video** for more info on these tyres!

### Mitas Flat track tyres

Ready, steady, go! It's time to hit the racetracks with Mitas **Flat Track tyres**.
